Nickel Quilts, More Nickel Quilts, Amazing Nickel Quilts and Nickel Quilts & Borders

Small Wonders Workshop Supply List

In this workshop you have the opportunity to make seven different quilts! All seven of these quilts are made with 5" squares.

These are the lap sizes for the quilts; you can of course make yours larger.

Tillie's Treasure	66" x 66"	Star and Hourglass	56" x 56"
All That Glitters	63" x 77"	Star and Crown	66" x 66"
Butterfly Waltz	60" x 60"	South Dakota Star	54" x 54"
Prairie Gems	45" x 67"		

The 5" squares listed below are enough to make a lap size quilt. You will need other materials later for sashing, borders, binding and baking to finish the quilt. Please feel free to make a larger size quilt and refer to the books or patterns for material requirements.

For those of you who may not have lots of 5" squares already cut; fat quarters are a great source for cutting 5" squares from. You can cut 12 - 5" squares from a fat quarter.

A "pair" is two squares from the same fabric

Bring a few extra light and dark 5" squares for practicing the technique and optional blocks.

Tillie's Treasure is in *Nickel Quilts*

5" dark squares	49 pairs	16 singles (the singles are used in the border)
