

Information and Supply List for "Star Struck"
Workshop with Gyleen Fitzgerald
Wednesday, September 10, 2014
Time: 9:30am to 4:00pm

Star Struck: One day is all it takes to make this 22" x 80" table or bed runner. You'll love the butterfly seam technique that makes the piecing effortless.

Basic Sewing Supplies to include a seam ripper

Sewing machine in working order, etc.

Tools: Deb recommends bringing your favorite "big" ruler: i.e., 6" X 24" or 8.5" X 24.5" or 12" X 12" or whatever.

From Gyleen:

Supplies:

- Soloist: This is the feature fabric and like a soloist will make your quilt sing. However, too many causes disruption, be a wise and only select one. 22" x 18" is all you'll need.
- Harmonizer: This is the voice that blends or goes between the soloist and the choir. You know the voice that has range. 22" x 18" will work.
- Choir: This is where you have the variety. These are the voices that are nice and even great but for sure they are not soloists. You will need (12) 3" x 40" strips.
- Background: Everybody needs a stage; a platform of sorts to showcase the act. One yard is perfect.
- Special instruments: Polygon and Polygon2 Tools.

***See page 2

Gyleen's pattern for "Star Struck" and/or the book "Polygon Affair" will be available at the workshop as well as the two Polygon Rulers/Templates. The Polygon Ruler is \$14 and the Polygon2 Ruler is \$20. The class pattern will be \$8 or the Polygon Affair book is \$25.

General Notes: I (Gyleen) selected a bunch of stuff from a fairly narrow color palette. One fabric (background) needs to be at least a yard or better; or you need several that can be substituted for each other. Personally, I think this project lends itself to a variety of background fabrics.

From Gyleen's Supply List:

Soloist = S or the middle of the star

Harmonizer = H or what you see as the striped fabric (also in the edge pieces); immediately next to S

Choir = 1 & 2 & 3 or the diamond shapes next to H and the background

Background = background or the fabric you see the most of at left
