Workshop with Karen Stockwell on April 12,2017 at Green Acres Baptist church at 10:00am. The cost is \$25 and needs to be paid by the April meeting. You will also need to buy a pattern for \$10. Karen will bring those with her. The description of the class is as follows:

Deconstructed Wedding Rings

A Double Wedding Ring is surprisingly versatile.

What happens if you make the rings different sizes, and don't join them?

How about adding some other elements?

Let's play with modernizing an old favorite. Have fun and see what happens!

And with a white or solid background, it can easily be a modern quilt.

36" x 39"

Pattern required for class. \$10. Contains full sized templates and directions for 3 different finishing techniques.
