

Instructions and supply list for Bowl Making 101

Bring lunch or you may purchase lunch near by the church.

Sewing Machine in good working order with zigzag stitch, applique foot or zigzag foot

General sewing supplies, (pins, scissors, sewing machine needles, stylist, thread, instruction book for your machine, etc...)

80 or 90 Universal needle, blue jean needle works well also

Glue stick

Thread of your choice, I use embroidery thread - Isacord polyester 40,

Cotton clothesline cording with stability, (Mainstay @ Walmart, 100 ft pkg, 3/16")

1 yd of fabric for a large bowl or ¾ yd for a small or med bowl/basket

You can use fat quarters also, strips need to no wider than ½" to ¾" wide and now longer than 18 inches.

11 yards of cording wrapped before class

Use ½ to ¾ inch strips no longer than 18 inches to wrap your cording before class.

Attach first strip with glue stick 1/4" above cording to start and hold with straight pin

Wrap your first strip at a slight angle to cover cording

Attach second strip with glue stick and continue wrapping

Repeat until cording is covered.

(Batik fabrics don't fray, but you may like the fray)

Eleven to 12 yards of cording to make a good size bowl.

The church door will be open at 9:00, we would like to get started by 9:30.

Please remember to bring **extension cords**.

We will have a cutting area and ironing area set up. Please come prepared and ready to go.

We are looking forward to sharing our bowl making experience with you.

Sherry Paul and Fay Rawls
