

Spring Challenge

***When you see a Tree!***

When you look at a tree what do you think about? Our challenge this spring is to make a quilt which represents your emotions about a tree. What does it say to you?. To me a tree show strength, courage and growth. You may make your quilt using applique, piecing, fused any season of the year.. Quilting techniques is your choice.

The tree should measure at least 16 x 24. It will be due at our June meeting. If you have questions you may contact me. Jodi
